

ADARSH SHUKLA

B.TECH ENGINEERING UNDERGRADUATE (COMPUTER & DATA SCIENCE)

Location: Noida, Uttar Pradesh, India
Email: shuklaadarsh319@gmail.com
LinkedIn: linkedin.com/in/theadarshshukla
GitHub: github.com/The-AdarshShukla

PROFESSIONAL SUMMARY

A highly driven and analytically sharp B.Tech Undergraduate with a robust technical foundation in computer programming, data structures, and web technologies. Proficient in executing rigorous Quality Assurance (QA) methodologies, web platform layouts, and automated spreadsheet tracking. Possesses an exceptional capacity to quickly digest operational workflows, maintain data confidentiality, and translate technical guidelines into seamless online systems. Highly optimized for the Website Content Management, Maintenance, and Technical Framework ecosystems, combining engineering logic with unique creative communication.

EDUCATION

DEGREE / SPECIALIZATION	INSTITUTION / UNIVERSITY	DURATION / TIMELINE
B.Tech (Computer & Data Science)	Maharishi University of Information Technology, Noida & upGrad.com	August 2024 – April 2028
Senior Secondary (Class XII - CBSE)	Science Stream (Mathematics, Physics, Chemistry, Computer)	April 2022 – June 2023
Secondary School (Class X - CBSE)	Core Disciplines (Mathematics, Science, English, Hindi)	April 2020 – April 2021

TECHNICAL & PROFESSIONAL COMPETENCIES

CORE ENGINEERING:	Programming Fundamentals, Object-Oriented Logic (Java, Python), Data Structures Basics
WEB FRONT-END STACK:	HTML5, CSS3, Interactive UI Architecture, Native JavaScript (ES6 Basics)
DATA & ANALYTICS TOOLS:	Advanced Google Sheets & MS Excel (Logical Formulas, Data Validation, Secure Digital Ledgers)
QUALITY ASSURANCE:	Content Infrastructure Auditing, Layout Responsive Testing, Broken Link Verification, Textual Accuracy
LANGUAGES:	Hindi (Native), English (Professional Working), Sanskrit (Elementary)

ACADEMIC & TECHNICAL ENGINEERING PROJECTS

Full-Scale Web Portal & Content Repository (Apna Sahitya)	March 2022 – Present
Lead UI/UX Developer & Content Architect	
- Architected and engineered an interactive digital repository platform showcasing structured text configurations using clean HTML5, CSS3, and JavaScript layouts. - Executed comprehensive structural Quality Assurance (QA) testing to eliminate formatting anomalies, text alignment updates, and ensure cross-browser agility. - Translated user journeys into highly scannable informational hierarchies, accelerating user interface navigation and layout performance metrics.	

Dynamic Institutional Workflow Tracker & Ledger

Ongoing Academic Track

Data Pipeline Designer & Technical Logic Architect

- Formulated advanced data validation structures and complex logical formulas inside Google Sheets and Excel environments to prevent records duplication.
- Maintained strict system confidentiality and operational accounting parameters by deploying secure data access pathways and organized digital tracking ledgers.
- Generated scannable visualization architectures to map key performance metrics, aiding data verification processes.

PROFESSIONAL EXPERIENCE

Freelance Content Architect & Technical Writer

August 2024 – Present

Strategic Communication & Platform Operations

- Created highly optimized, structured blog solutions, digital articles, and aesthetic literary configurations focusing on structural layout fidelity and flawless textual presentation.
- Successfully translated ambiguous conceptual briefs into sharp technical documentation, optimizing online data delivery formats.

PROFESSIONAL CERTIFICATIONS

- **Data Science using Python** – Professional Tech Track Certification
- **Fundamentals of Generative AI** – Core Technology & Architecture Principles
- **Fundamentals of AI and ML** – Machine Learning Matrix & Foundational Logic
- **Python 101 for Data Science** – IBM / Cognitive Class Ecosystem
- **Introduction to Programming Using Python** – Standard Engineering Systems Track

POSITIONS OF RESPONSIBILITY & ACHIEVEMENTS

- **Founder & Executive Admin:** Handled complete end-to-end management, content pipeline, and software version control logs for independent technical/literary web domains.
- **Multidisciplinary Excellence:** Active Hindi Poet and Creative Story Writer, leveraging structural storytelling metrics to design better digital human-computer interfaces.
- **Corporate Relations Support:** Voluntarily organized and monitored data records during interactive platform sprints and peer team configurations.
